NOTICE TO USERS Beansheaf Community Centre

This note is a reminder to all hirers of some of the safety regulations that must be followed when using the building.

1. Please do not leave the Centre unattended. If your event finishes early, please advise the caretaker and await their arrival before leaving (the telephone number is on the notice board in the foyer). The Centre should be cleaned and ready to lock no later than the time your party has been booked to.

An empty building attracts unauthorised visitors and puts the caretaker at increased risk if they have to enter the building after it has been left empty for some time.

2. Should the fire alarm sound, please evacuate the building and call the Fire Brigade (Alarms are regularly tested and you will be advised if a test is scheduled whilst you are in the building). Please familiarise yourself with the Fire Regulations notices displayed in the foyer and each of the rooms.
3. If, for its own security, your group wishes to lock the front door during its period of hire, latecomers can use the grey buttons on the right-hand side of the front door to flash a light in the relevant room to alert other members of their arrival.
4. For health and safety reasons, if your group uses a cupboard in the Centre please store equipment safely to minimise the risk of accidents.
5. Be aware that the Council does not insure hirers' equipment and you must arrange your own cover.

Finally, if you have any problems during your booking, if something is broken or if you need to change your booking times, please notify the Parish Office. You can leave a note in the letterbox or ring the office on 0118 945 4339. Remember, we can only fix a problem if we know about it.

Thank you

Pamela Kirkpatrick, Clerk to Holybrook Parish Council
